

Firestone

BUILDING PRODUCTS

Licensed Contractor Certificate

Firestone Building Products hereby confirms that

Lever Enzenjering
located at Dimitrija Tucovica Street 103
11000 Belgrade, Serbia

has successfully completed the Firestone Building Products Training Program. In addition, this company has installed numerous EPDM Systems. Lever Enzenjering is therefore familiar with the Firestone Waterproofing Specifications.

As a result, this company is licensed to install the Firestone Building Products Waterproofing Systems.
